This spectacular family home is located in one of the most exclusive neighborhoods in Brookline, Massachusetts, close to the best boarding schools and educational centers in New England. The luxurious and exclusive home was designed by architect Richard Landry in collaboration with interior designer Joan Behnke & Associates and custom built by JK Scanlan, thus achieving a unique masterpiece. The property offers the following amenities: a fantastic lobby opening to an impressive living room, a fully equipped kitchen, an integrated home office and a family room. Next to the living room, a staircase leads to the second floor where we will find 5 custom-made bedrooms. On the lower floor we will enjoy a recreation room, a kids play room, a full bathroom, a wine cellar and a gym with spa. Outside we will find an organic garden, a fantastic pool and a guesthouse as if it were the barn of the property. In the guesthouse you can enjoy a yoga studio, a sleeping loft, a full bathroom and movable walls to communicate the Zen space with the garden.
