Exceptional house for sale next to the Finca Cortesin golf course, voted Best Golf Resort in Europe, between Marbella and Sotogrande. This sensational property is part of Villas Golfside, an exclusive residential complex of 16 individually designed villas with private pools and gardens, and created by renowned architects. This villa consists of approximately 640 m² on a 1,851 m² lot. Minimalist in style, its isolated location guarantees tranquility in an environment that invites relaxation. The upper floor is intended for the night area. Thus, it is distributed in four spacious suites with dressing room and full bathroom. Three of them have access to the porch, while the fourth has access to its own terrace. On this level there is also the parking area for several vehicles. On the lower floor of the villa is the day area. This consists of a spacious living room with access to the outside, with porches, covered terraces, multiple landscaped areas and a magnificent swimming pool. This level also consists of a large fully equipped kitchen-dining room open to the living room with cellar, pantry and exit to the patio; in addition to a last bedroom suite with bathroom, dressing room and access to the pool area. While the upper floor stands out for its wide horizontal space that filters sunlight and protects from prying eyes, the ground floor allows you to enjoy the garden as a more integrated space in the home itself. In addition, it is equipped with the latest home automation technology and security system.
