In this new housing development in Les Escaldes (Escaldes-Engordany), close to nature, located a few minutes from the commercial and financial center of Andorra, we have this elegant flat of 91.05m2 to buy. You can enjoy the impressive views from the terrace in a quiet residential area in the middle of nature with numerous natural spaces nearby and close to all services. In the day area there is a bright living-dining room with two distinct environments and exit to the large terrace of 54'03 m2. There is also an open kitchen connected to the dining room via a comfortable island, fully equipped with first-quality, high-energy-efficiency appliances and multiple storage spaces. The rest area is divided into three rooms, one of them en suite and access to the terrace, with its full bathroom with shower, and the other two, single, share the other full bathroom with shower. All three have built-in wardrobes. There are parking spaces and storage rooms available in the same building, but not included in the price. A fantastic, newly built property that offers maximum comfort and privacy, in the middle of one of the best residential areas of the Principality.
